

# Join the Honda Owners Club

There are many motorcycle clubs to choose from, but there is only one Honda Owners Club (GB).  
Founded in 1961, we are the oldest one make Japanese motorcycle club in the country.

## About the HOC

We are an independent, non-profit making motorcycle club, run by the members for the members.

Membership is open to anyone who owns or has owned, a Honda powered motorcycle.

Everyone is welcome; from sports bike riders to owners of classic Hondas, from CG125s to GoldWings - so no matter what Honda you ride, you will always find other like-minded people in this Club. We are primarily a social organisation, promoting the interests of Honda owners throughout Great Britain. Like any Club, the more you put into it the more you will get out of it!

## The HOC gives you more

### Discounts:

We have an extensive discount list encompassing over 150 organisations offering members discounts off their products and services. Witheverything from insurance to clothing, advanced training to track days and more, most members recoup the cost of membership within the first few weeks of joining.

### Social Life:

The heart of the Club lies in it's network of over 25 local Branches. Branches are the ideal place to meet other members in your locality and take part in the many and varied activities being arranged. Wherever you live, you will be assured of a very warm HOC welcome.

### Local Events:

Branches organise events throughout the year consisting of ride outs, weekends away, touring holidays, rallies, charity rides, runs to race meetings and much much more. It goes without saying that all members are welcome to join in any branch event.

### National Events:

These are events that are organised an national level each year. Some of the key events are:

#### National Rally:

Held at a different location each year, for many it is the finale of the summers activities.

#### Honda Show:

A fun filled family day out including our own (not so serious) concours d'elegance. A chance to see some of the machines from yesteryear and the more modern "future classics".

#### Ace Cafe Day:

Each year we hold a National Gathering at the Ace Cafe, with many branches organising a run in. With hundreds of members attending, this is event to be at.

#### Days Out:

Each year there are a selection of "national" days out, ranging from the annual Sunday Lunch run to the AGM Dinner Dance.

#### BMF Show Hospitality:

Our marquee at the Peterborough BMF show each May is the ideal place for members to come and meet.

In fact, there are so many events taking place across the country each year that the only problem is deciding which ones to attend.

#### BMF Affiliation:

When you join the HOC, you also become an affiliated member of the British Motorcyclists Federation.

## Keeping you informed

Members receive a regular Club magazine, the Golden Wing. It contains reports from the local branches, members' articles, consumer reports, test rides and the Members Free Ad's. There is also a comprehensive diary section which lists all club events taking place around the country.

For the very latest in up to date details of what is happening and where, you can visit our award winning website at:

[www.hoc.org.uk](http://www.hoc.org.uk)

As well as news, there are also links to Branch web pages, discount suppliers and other sites of interest. The Members Area now features a forum and chat board, and is quite a thriving community in its own right.
